

CHOOSE YOUR WING SAUCE

Mild

A rich, buttery sauce with just a hint of Frank's Red Hot Sauce, that allows for the wings to speak for themselves. Choose between Original, Garlic, or Lemon Pepper.

Garlic Parmesan

This sauce says it all in the title. Packed full of garlic, blended perfectly with parmesan. Simple, yet oh-so delicious.

Honey BBQ

A classic BBQ sauce sweetened by nature's own, honey. It's thick, slightly smoky, and ends with that mouth-watering sweetness. You can't go wrong.

Teriyaki

Our take on this popular Asian sauce. A soy sauce base with hints of garlic and ginger. It's tangy, it's flavorful, it's perfection.

Classic BBQ

It's called Classic for a reason. This sauce is thick, savory, slightly sweet and loaded with flavor. It's everything a Texan needs to feel right at home and will leave you licking your fingers!

Medium

Looking for that traditional Buffalo-Style taste with slightly less heat? This is the sauce for you. You get all the flavor, less tears. Choose between Original, Garlic, or Lemon Pepper.

Cajun

Taking hints from our neighbors in Louisiana, we use a special blend of Cajun spices that leave your wings perfectly seasoned.

Carolina Gold

Sweet, Tangy, with just a touch of spicy mustard. Try it once and it'll be your go-to on future visits!
